Hello,

At Farm Credit Canada (FCC), we donate to organizations that enrich the communities where our customers and employees live and work. Our projects and donations make positive changes in our communities. In particular, we work to reduce hunger, promote farm safety, and through Ag education partnerships, we promote agriculture as a vibrant, forward-looking industry.

Please accept the enclosed cheque for **\$1,500.00** for use by your organization, Town of Manning, **in recognition of or to be used towards your Town of Manning Beautification or Building a gazebo at a beach they created in the town of Manning to enhance their community and allow anyone to enjoy it.** This donation is in recognition of your work associated with FCC's giving focus area of Community enhancement.

Please feel free to share the good news on social media; on most platforms we are @FCCagriculture. For more information on FCC's community investment programs, please visit www.fcc.ca and select "In Your Community".

Sincerely,

Farm Credit Canada
